Domus Investments Holdings OÜ

Domus

Investment vehicle based in Estonia, used for capital allocation purposes from "friends and family" across different projects or products.

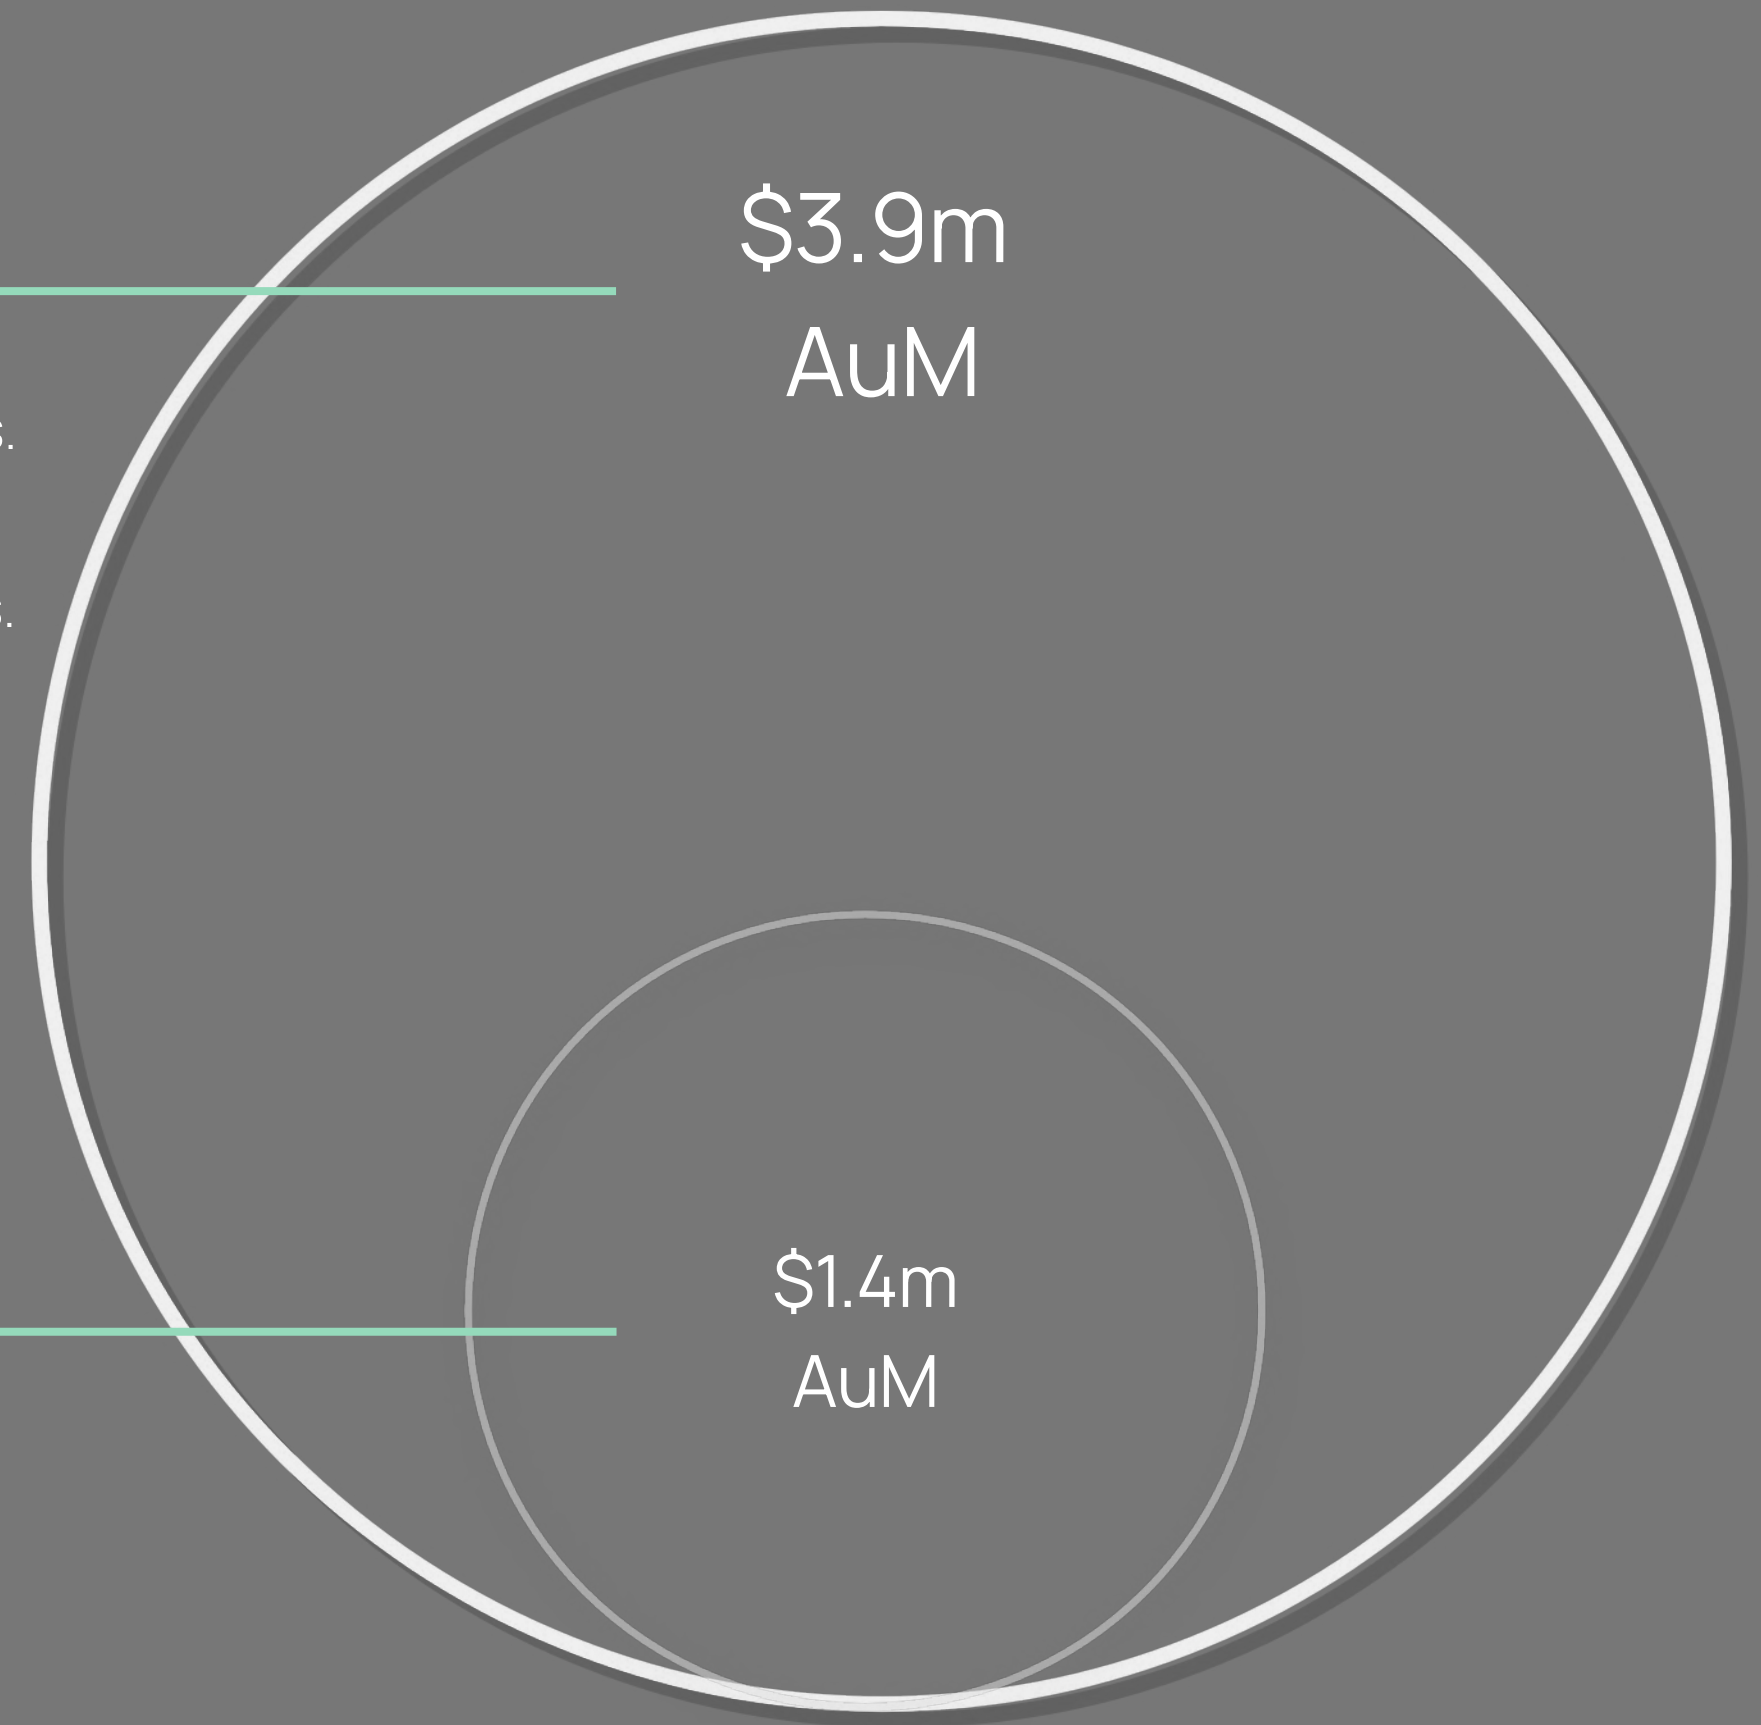

Mainly focused on unsecured private loans and mortgage-backed loans.

Started in 2017, currently managing \$3.9m AuM across 22 different projects on several sectors (Real Estate, Restaurants, Financial Services, Consumer Goods).

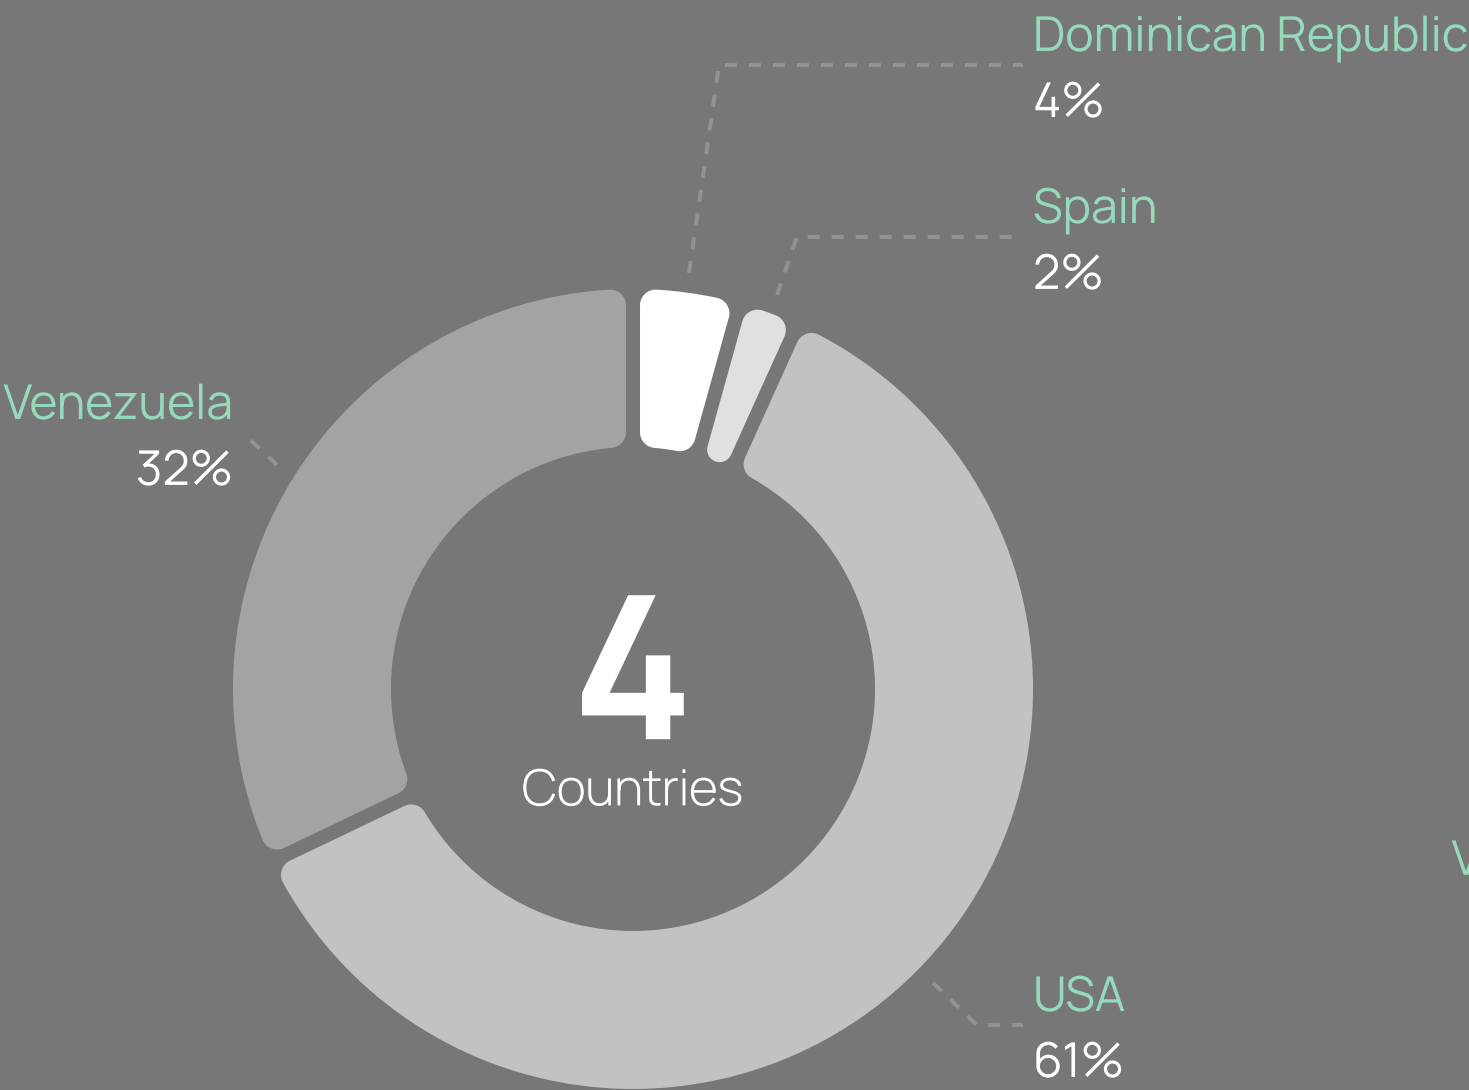

Domus Investments Fund - Emerald (DIFE)

Private-debt fund managed on a discretionary basis by Jordi Valeri, Co-Founder and CIO of Domus.

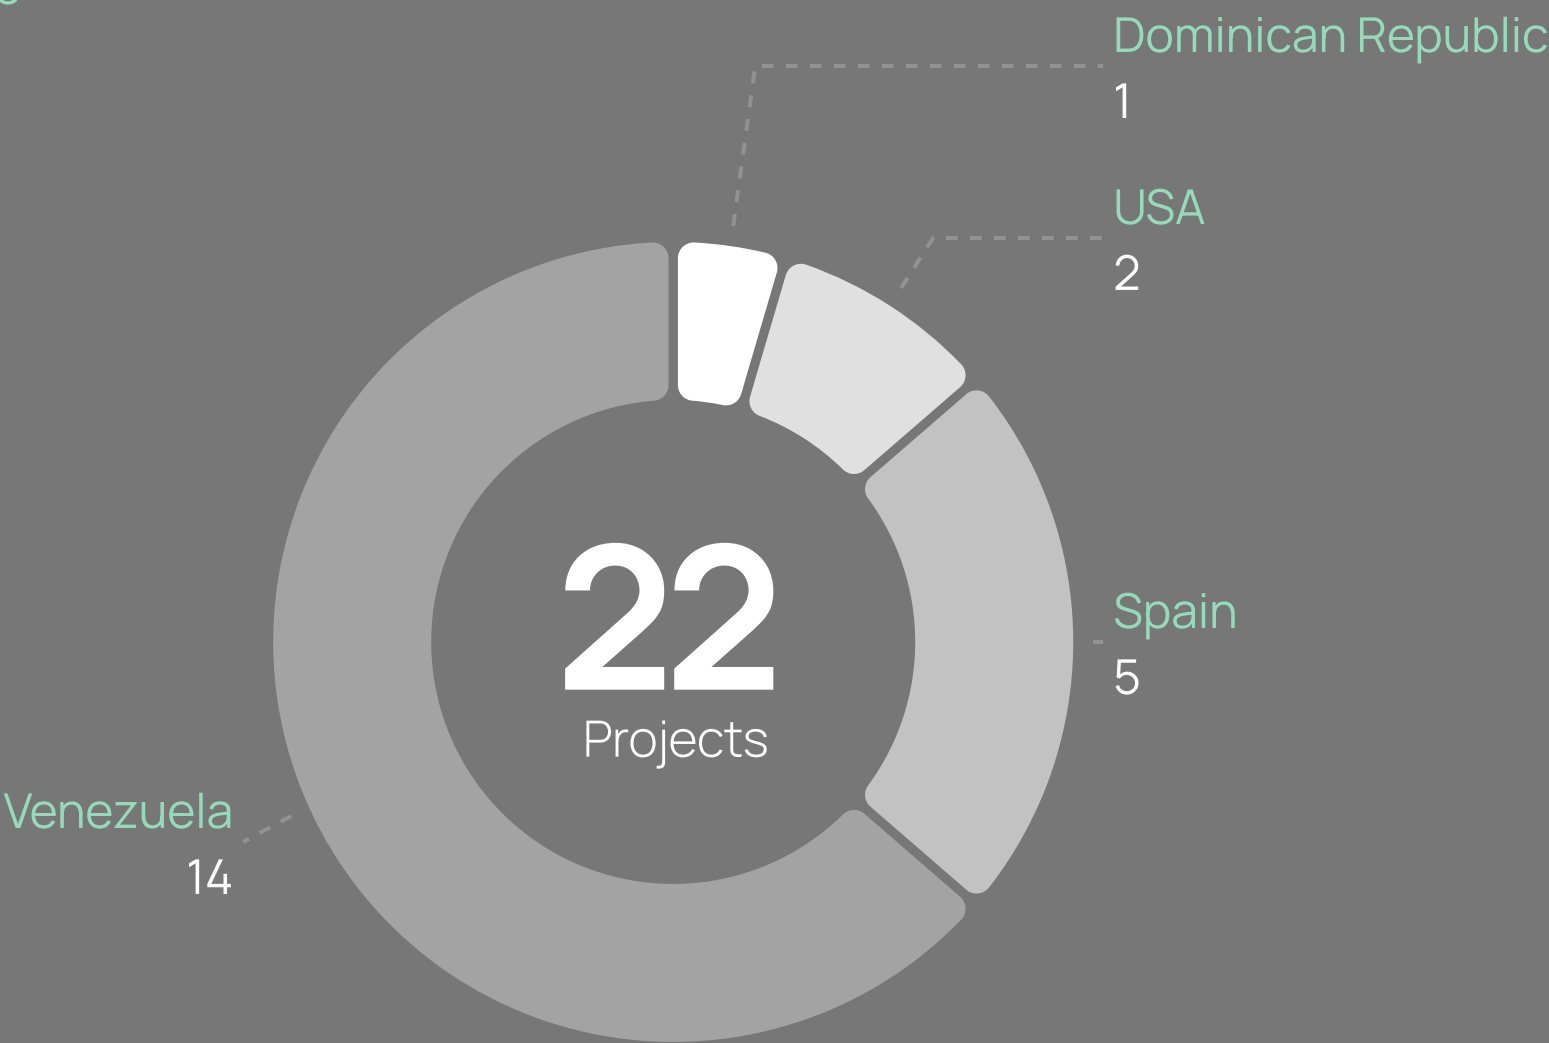

Main strategy focuses on maximising returns by focusing on portfolio diversification, exploring the right balance on risk vs. reward.

DIFE - Assets Under Management (AuM)

DIFE - Distributed Dividends & Yield

Distributed dividends since inception + Proj. dividends

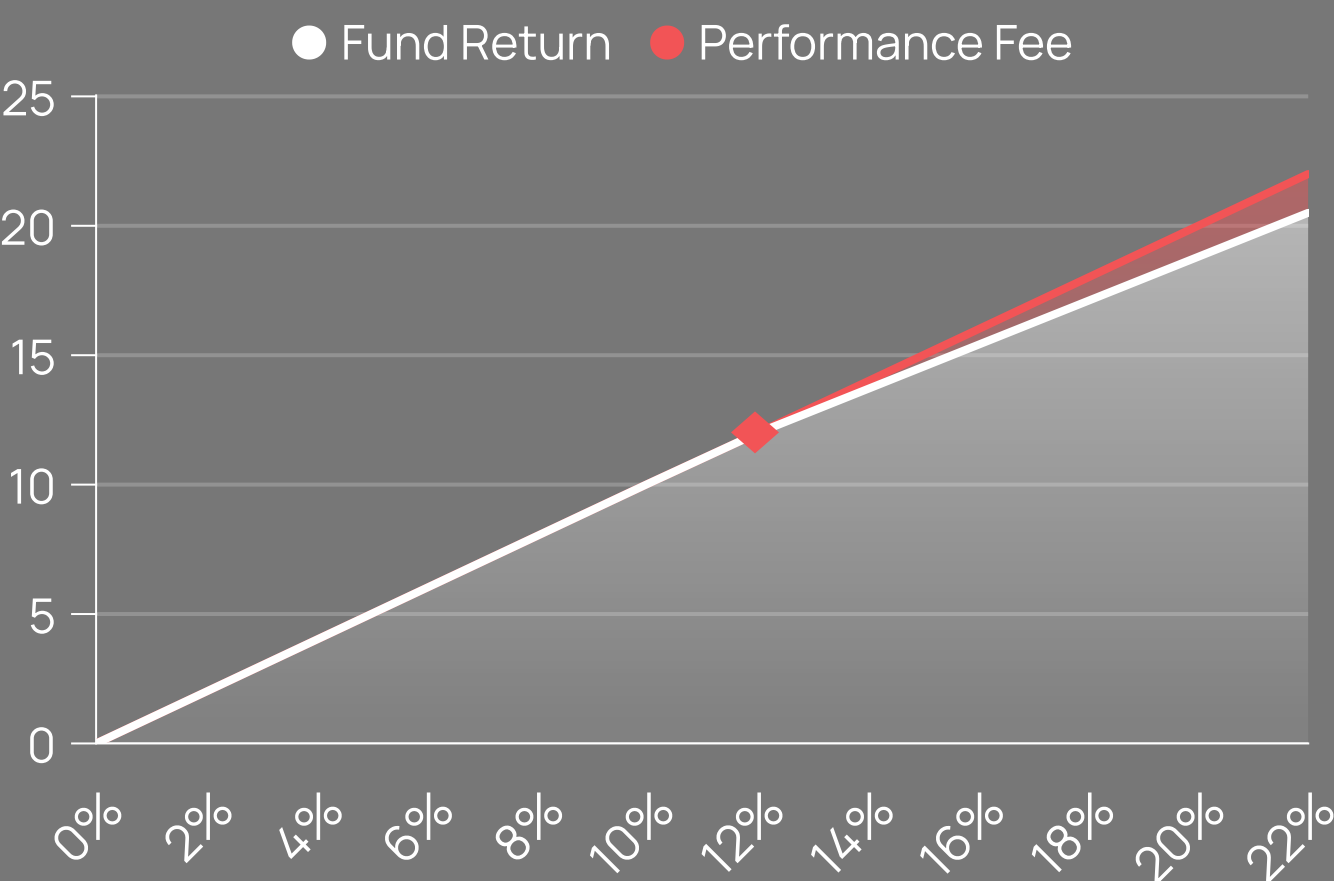

Annualised yield since inception + Proj. yield

DIFE - Fee Structure

At inception, there will be a Management Fee of 1.00% of committed capital. This will be charged only once throughout the investment cycle.

After each end of year, there will be a Performance Fee calculated on a 15/85 basis above defined hurdle rate.

This means, whatever return is above the hurdle rate, defined at 12.00%, will be distributed 15% to the fund and 85% to the investor. If the hurdle rate is not met, there will be no performance fee applied.
